

COLOCATION & CLOUD SERVICE ACCESS

YOUR DATA AND MISSION-CRITICAL APPLICATIONS REPRESENT THE LIFELINE OF YOUR BUSINESS.

PS LIGHTWAVE understands the importance of business continuity. We offer a switched Layer 2, multi-gigabit Ethernet-ringed contiguous fiber optic network extending over 5,500 route miles owned and operated by PS LIGHTWAVE to deliver built-in redundancy, high availability and sub 2 ms latency.

Our network solutions don't stop at the edge of the network. As a carrier-neutral telecommunications service provider, we are able to provide the secure interconnections you need to extend your reach to locations, clients, and services where they are.
